A review contest followed, the tables, instead of being numbered, were named Egypt, Babylonian and Assyria,

"Palestine" and "Greece," the players progressing in the games, as progress has been made in the course of study.

The greatest expense the club has incurred was done to accommodate those who have attended very few times, if at all, since the club has been meeting at the Episcopal Church, and each member is urged to pay the club dues.

PASTOR IRA J. LAPP

MISS EDNA BOONE

DIED LAST SATURDAY

Last Sunday was a great day with us at the Baptist Church the Sunday School was extra for the day and next Sunday we plan to make it even better than last Sunday. Those who were there last Sunday did see what they had not seen before both morning and night.

At night Sunday night we had a great patriotic service Prof. Birkley and Mr. Shippy spoke fitting words on loyalty, some fifty people promised to put out any more wheat flour until the new crop was made which was to start in patrioticism.

Next Sunday the subject for the morning hour will be what our church needs Sunday School at 9:45 a. m. Preaching 11 a. m.

At the evening service the pastor will preach on the Great Separation.

If you miss hearing the music you will miss the treat of your life. Our fine choir accompanied by Mr. Johnson's orchestra is simply fine. Then our new song books are here, we are using the song books gotten out by Billy Sunday's song leader if you want to hear great singing come to the Baptist Church next Sunday. You are invited to come to the welcome spot in Clovis.

WHAT right have we as Americans to prosper if we do not come to the front and assist the BEST FRIEND ON EARTH TO US ALL. We have lived peaceful lives and have been happy under the protection of OLD GLORY, and now that it takes AMERICAN MANHOOD to enable her to hold up her head, SHALL WE "BITE THE HAND THAT HAS FED US."

You say no I am an AMERICAN. But you are not an American if you have not done your part, no matter how much that may be, towards financing our government in her hour of strife and trouble.

The Committee on Bond Sales is keeping an up-to-date list of all subscribers to the Third Liberty Loan which they are going to publish. Don't let the second publication come out without your name on it.

It is a greater strain on the Banks of this country than any other business or corporation, but we are here to assist our GOVERNMENT, OUR COUNTRY AND OUR FRIENDS and we want you to show us how we can assist you the most.
